Re: Orbitron Site, 901 S. Main Street, Delphos, Allen County,
Ohio

Dear Mr. Cooper:

Thank you for taking the time to speak with Mike Anastasio and I over the telephone this morning. I am writing to confirm our telephone conversation during which you granted authority to the United States Environmental Protection Agency ("U.S. EPA") to access the above-referenced property to conduct investigatory and sampling activities, including the inventorying and sampling of the drums present at the property. As you indicated, it is not necessary for U.S. EPA to collect split samples. U.S. EPA has confirmed with Mr. Frank Caprilla that he will meet me at the property next Tuesday, July 19, 1994 at 7:00 a.m.

Thank you very much for your cooperation in this matter.

Sincerely,

Steve Renninger
On-Scene Coordinator
